

North Shore Madrigal Singers Summer Singing Logistics

We will meet **every week** during the summer, on **Friday nights at 7:30 p.m.** We won't expect the same singers to come every week; we'll plan to meet even if only three people say they can make it. (I have some 3-part madrigals and some rounds we can do with really small groups.) We encourage other singers to drop in as they are available; there's no ongoing commitment.

Bernie McKee and Tom Miller (tenors) have arranged for us to meet at the church where they sing in the choir, **Winnetka Presbyterian Church**, 1255 Willow Road (corner of Willow & Hibbard). We might not always meet in the same room at the church, depending on what else is going on there; there are several rooms, some with pianos (not that we need a piano!) There will be a sign posted directing you to the room we will meet in that evening.

Here are the logistics: Each week, on **Saturday**, I will send out an email reminder to **everyone on the distribution list**. Only those who **do** plan to attend should respond — no later than **Wednesday**. If fewer than three singers are available, the evening will be canceled, and those who did respond will be notified no later than Thursday. If you find out at the last minute that you are able to come, you can call me at (847)491-0034 to verify that we are meeting that week. You can "unsubscribe" from the distribution list at any time and I'll stop sending you the weekly emails.

Feel free to forward this invitation to others that might want to sing madrigals occasionally. I notified North Shore Choral Society members via their newsletter and a notice posted on their public Bulletin Board (under "Community" on www.northshorechoral.org). If you are willing to extend this invitation to other singers (especially those who sing with groups that don't meet during the summer), I can send you a notice suitable for emailing or posting.

To be added to the weekly email distribution list, please send the request to ellenpullin@comcast.net

We don't intend to exclude singers who don't have email. If you are available on a Friday night and want to verify that we will be singing that week, call me at (847)491-0034 on Thursday, or on Friday during the day.

Ellen Pullin

Self-professed lover of madrigals
